

SAFETY AT WORK

Plum 1Aid Bag

Quick and easy access to first aid on the go

Plum 1Aid Bag is a practical first aid bag for your belt and workwear or any workplace requiring a portable solution for first aid. It is easy to open and provides quick and hygienic first aid on the go.

Quick access to first aid is the key to increased safety at work. Plum 1Aid Bag is a flexible solution that gives quick access to the needed first aid product and makes it easy to always have the right products in the right place. Choose between two different combinations to best suit the needs of your workplace.
